# THOMAS GOURMET FOODS

## Our Story

BACK IN THE EARLY 1930'S IN RURAL NORTH CAROLINA about midway between the mountains and the sea, a family named Thomas was trying to raise a half dozen boys and one little girl. This meant Mama Thomas, as she was affectionately called, had to be creative with her cooking, so she created lots of recipes over the years. These recipes stayed within the family until decades later when one of these little boys decided to bring the family secrets out of the kitchen closet. Our first recipe was Thomas Sauce and our family of products has been growing ever since. Many of our products are all natural like they used to be in the 30's. *Look for us in your favorite grocery and be sure to try them all. We appreciate your business. Enjoy!*

*The classic sauce that started it all!*
